

March 30, 2010

Dear Chuck,

I can't tell you how grateful we (and many people in C.A.R.) are for you and the people of Hope Lutheran. What a blessing and encouragement you've been in your shared vision for mission and your generosity. Your congregation tops the list of stories we like to tell.

Your commitment to the Emmanuel Health Center in Gallo really makes it possible for us to complete this project and get systems up and running to begin the healing very soon. Thanks so much for the efforts you have put into the fund raising and for inspiring your people to discipleship - looking for ways to serve in this world.

I look forward to seeing what the final amount is - but whatever it is - God is glorified and many are blessed - both givers and receivers.

Thanks, thanks, thanks.

Gordon Olson,

Executive Director Lutheran Partners
