All children attending on field trip day will be going on the field trip. Please do not schedule any appointments for your child between 10:00am and 4:00pm as we cannot guarantee to be back by a certain time or to meet you at a certain location during our trip. Transportation will be by church van, chartered bus or when close by walking. When children can bring a small amount of money of their own to spend on the field trip we will let you know by posting a sign or on Brightwheel Monday morning, otherwise children will not need money for field trips.
