Sawyer Anderson Writes a Book to Provide More Wells in Africa

10-year-old Sawyer Anderson, member of Hope Lutheran, has written and illustrated a book entitled *Water Works*. The book is her most recent effort to help bring clean water to poverty-stricken villages in Africa. Prior to *Water Works*, Sawyer raised over \$26,000 selling cookies and chitenge handbags. Her goal? To keep going until every person in this

world has access to clean drinking water. Sawyer got the idea to write her book after her father took a mission trip to Zambia with Wellspring for the World and World Vision. *Water Works* is based on real-life stories, although she modified some of the stories to suit younger audiences. Her inspiration was a boy her age named Brian, whose arm had to be amputated after he was bitten by a poisonous snake while fetching water. Brian's sister drowned in an old, deep well. Sawyer said "The stories are just really sad and unfair. "Everyone should have clean water."

"BUY A BOOK, SAVE A LIFE - IT'S
AN OFFER YOU CAN'T REFUSE."
SAWYER ANDERSON

For just \$9.99, you can purchase a copy of Sawyer's book. All of the proceeds will provide water to one person... for a LIFETIME! Books are for sale WaterWorksSEA.com, or in the Church Office. All of the proceeds will provide water to one person for a LIFETIME!

PRAYER CORNER**Carrying the Burden**

Peggy Monsebroten

Trials are a part of life that come in different ways and degrees of pain. I heard that if you're not in a trial now, then you have been, or you'll be in one. No one will escape this world without experiencing some pain. Many times, it seems we are not dealing with just one hardship but rather like waves that toss us from one to another, crashing down on us. It can be overwhelming and consume our minds and affect us in so many ways.

In *Lord of the Rings*, it was when Frodo was at his weakest and didn't think he could make it that Sam told him he couldn't carry the burden for him, but he could carry Frodo. Then he proceeded to pick him up and carry him. I think that is what God sometimes

does when we are weak and tired. He carries us, we still have the burden but we're never alone. When we look back we realize we could never have made it without Him carrying us. We hate those journeys but it's in these worst of moments that we grow the most and realize what's most important in our lives. It's those moments when we learn about surrendering and that we're not in control. It's in those moments that our trust can grow the most. We maybe aren't doubting that God will do the best for us, but we may wonder how painful that best will turn out to be.

"Let us fix our eyes on Jesus, the author and perfecter of our faith." Hebrews 12:2

"He gives strength to the weary and increases the power of the weak." Isaiah 40:29

Dear Lord, carry us when we are weak and tired. Renew our hope and help us to fix our eyes on You. Amen.

The book of Acts tells us that it is the task of all Christians to care for one another, and we do just that in many various ways through HopeCare. We invite you to share your time, talent, energy and God-given gifts to engage in our Visitation Ministry. A few short hours a month in conversation and prayer can make a tremendous difference to those who you visit. It will provide hope and strength, people know they are not alone, and that God and His people are a very present help in time of need. Your visit will encourage all people to know the love of Jesus Christ. For more information or to become a Visitation Minister contact Barb at hopecare@fargohope.org or call 701.235.6629.

Meals That Heal

Food is one way to share Christ's love and our care for one another. Jesus uses food to heal and bring a word of promise to His church in the Lord's Supper. Not only is the love of God shared in the Lord's Supper, but whenever we care for one another.

We need volunteers to prepare and deliver meals to those struggling with serious life challenges. Contact Barb at hopecare@fargohope.org or call 701.235.6629 on how to get involved.

Can you give an example of an experience where you saw God at work and changed the life of a Stephen Ministry Care Receiver?

"I've had a couple of care receivers and to see them living whole lives again in God's joy and peace is very humbling. I show up consistently, listen attentively, pray for God's guidance, and watch God bring a person to healing." *Priscilla Smith*

"I was working with a woman who couldn't forgive her mother for relapsing with alcohol. She wanted to cut all contact with her. In time, the Care Receiver was able to forgive her mother and establish healthy boundaries." *Jaci Edison*

Feedback on the June Movie Night - Miracles from Heaven

"I didn't want to spend another night at church, but my wife wanted me to come along. The movie was tremendously different than I expected. It was a fun break in the hustle and bustle of living. The underlining message of faith was so powerful, it strengthened our faith for when tough times come." Conrad Rose

JAZZY HALLOW SAVED - THANKS TO THE VBX-PEDITION

The children of Hope Lutheran helped save Jazzy Hallow from darkness at the North Campus and South Campus in early June. Accompanied by Max (Pastor Paul Nynas), Rosie (Nicole Weisz), and Trevor (Ben Sullivan), they learned about God's love and how we are all "Chosen By Love To Love."

Jazzy the Jaguar (Stefanie Jordheim) guided everyone through the jungle so they could help her save it from impending darkness.

Of course, there was time for fun as children in pre-kindergarten through fifth grade listened to Bible stories, played games, made crafts, and danced during their journey. There was a lot of dancing, much to the delight of the children.

During the week, they encountered a variety of animals including a macaw, gorilla, lemur and slothicorn. The Jungle Guides, Holograms (dance leaders), and enthusiastic volunteers led activities throughout the week at each campus. Their exuberant energy and passion for sharing lessons about God choosing us, being fruitful, God hearing us, and loving God and others gave the explorers the confidence to shout "God Chose Me!"

Morning Session Added to VBX

This year, a morning session of VBX was added at the South Campus. Parents were thrilled for the opportunity to choose which session would work best with their family's schedule.

"This is our fourth year and in the past, on the survey, I requested a daytime session be added," said Arielle Peterson. "The day has worked out better as they're rested, attentive, and fed at a normal time. It's nice," she added.

Jill Kalsow felt that the morning offering was better for her family as well. "It was hard to leave at 5:00pm and see neighbor kids playing outside," she explained. "It's easier to get here and they're more excited and awake."

A total of **906** children attended the North and South sessions. A record breaking number! With **270** fantastic volunteers!

What is [Guardrails] Fall Retreat:

Middle School ministry is offering students in 6-9th grade a fun and unique retreat experience **October 4-6**.

The [Guardrails] retreat is an opportunity for students and adult volunteers to dive deep and discuss the challenges of navigating numerous life choices in today's world. What do healthy boundaries look like? And what is God's ideal for our lives? Topics covered include identity, friendships, romantic relationships, sexual intimacy, substance use, social media and technology choices, all framed in the context of what God desires for our lives.

We will explore what God's

[GUARDRAILS] are for our lives in order to promote healthy lives and a vibrant, growing relationship with Jesus.

When: October 4-6

Where: Castaway Camp – Pelican Lake, MN

“Ministry Leaders’ Perspective on the [Guardrails] Retreat”

“My favorite part about this retreat is the opportunity to get real with students, as we wrestle together with the very real complexities of living a life of faith focused on God in a world that is competing for our time, attention and money. We do a Q&A Panel where the students are encouraged to anonymously submit whatever questions are on their hearts and minds on topics of life choices, God, faith, relationships, sex, substance use, and anything else. This leads to great conversations during the panel, but also all weekend long. There is something special about having a space away from the routine of daily life to reflect on these big life questions. It is a joy and a huge privilege to come alongside students as we navigate the big questions and have a lot of fun along the way!” *Carley Rienke, Director of Middle School Ministry, North Campus*

“Our [Guardrails] retreat has always been top of the line! I have had the privilege of being a small group leader, sideline staff member, and now co-director of this retreat the last many years and have always found great joy and appreciation for the thoughtful, God-honoring, biblical insight that Hope presents to its youth in the area of life's boundaries. It is my prayer that this retreat presents this information in a helpful way that engages the hearts of our students and even brings a laugh or two.” *Ben Sullivan, Pastoral Intern and Director of Middle School Ministry, South Campus*
