FOCUS TAKE A CLOSER LOOK

Seeing God in Creation | Romans 1:20

READ

1 John 4:7

BOTTOM LINE: FOCUS on what you can see.

All The Things

God made everything. Yes, EVERYTHING! With adult permission, step outside of your house, and either go for a walk around your neighborhood or just sit on your front step. Stop and look around you. Look at the grass, flowers, clouds, people, and insects.

God loves the world so much that He created everything in it with such special care! Head back to your house and draw a quick picture of one of God's awesome creations you just saw outside. Share it with someone nearby.

LOOK around, and you will see all of the amazing things God created for you because He loves you so much!

The Wise and Foolish Builders | Matthew 7:24-27

READ

Romans 10:17

BOTTOM LINE: You can HEAR from God.

Can You Hear Me?

By reading the Bible we can hear from God. With the help from an adult, look up today's verse, Romans 10:17. Read the verse together to get the hang of it. Then take turns saying the verse to each other. Here's the fun part: one of you starts off reading the verse SUPER quietly.

Once that person is done saying the verse, the other will say, "I can't hear the message. I'll help and say it louder," and then it's their turn to read the verse a little louder this time! Go back and forth until you are at normal talking volume.

KNOW that the more you read the Bible, the more you can hear God's words.

Day 3 - Enjoy family worship tonight about being "at peace with each other (Mark 9:50)."

Activity: Fruits of the Spirit Puzzle

2 He Loves Us, We Love Others

With an adult, look up this week's verse, **1 John 4:11**. Read it aloud and do the motions below to help you remember the verse.

"Dear friends (point around the room like you are pointing at friends), **since God** (point up) **loved us** (give yourself a hug) **this much** (stretch your arms out wide) **we should also love** (hug yourself) **one another** (point to those around you)."

LOOK for ways that you can love others as God loves them.

3 Special Delivery

Deliver up some love today! Think of someone either inside your home or in your neighborhood that you can show love to today. Once you have that person in mind, ask an adult to help you think of a great way to show them you love them. You can draw a picture and deliver it or ask if you can pray for them. Show love in whatever you do.

Adults: Your interaction is encouraged during this activity to help guide your child to choose someone safe (if they are outside the home), as well as choosing the appropriate gesture of kindness. This activity could be as simple or complex as you feel is appropriate for your child. Have fun working together on this!

THANK Jesus for showing us how to love everyone, no matter who they are.

4 Live in Love

Take some time talking to Jesus and asking Him to help us live in love toward others. You can pray something like this:

"Dear Jesus, thank You so much for showing us what it means to love others. You set the best example of how to love because of how You loved everyone around You. Jesus, help me be able to love everyone around me and treat them with the kindness they deserve. Amen."

ASK Jesus to always help you love others the way He loves us.

Day 5 Bonus Activity: Color the picture and then circle the people showing love to others.
