## Meet the Future Homeowners

## The Castillo Family

### What will be the best part of the new house?

**Roxanne:** knowing that our home and neighborhood will be safe, that our pipes won't freeze anymore, and that the home will be accessible.

**Kids:** We get to have our own rooms!

**Help us build more. Donate today!** [www.lakeagassizhabitat.org/#donate](http://www.lakeagassizhabitat.org/#donate)

All Donations will be matched by the Castillo family as they repay the cost of their home through an affordable mortgage.
