Vol. 21 Issue 7

**YOUTH REGISTRATION IS NOW OPEN!**

## Dear People of Hope,

As fall approaches, so do thoughts of going back-to-school and scheduled activities. Registration is open for fall youth programming including Hopetots, Hopekids, Confirmation and High School Ministry (HSM); I encourage you to register your students and bring them to church regularly.

**Why is youth programming so important?** There is significant value in youth programming for your student's life-long faith formation, including learning the basic tenants of our Christian faith, about the Bible; and about building an eternal relationship with our Lord and Savior, Jesus Christ.

Just as our preschool through high school years set the foundation for our education and career paths, so too does childhood youth programming in the church set the foundation for our life-long walk of faith. It is possible to have faith without having attended Hopekids, Confirmation or High School Ministry, but those paths are far more difficult for young adults entering the world as they do so without a firm foundation and the right tools and knowledge to help them succeed. Remember Jesus' words, "Let the children come to me, and do not hinder them." Matthew 19:14 NIV

**Why is volunteering for youth programming so important?** As a congregation we exist to encourage all people to know the love of Christ, especially our children and youth! As a faith-filled adult you have an opportunity to partner with us to help guide this generation's journey of faith. Each year we have parents, grandparents, older students and young adults volunteering weekly to help us make youth programming happen. But, just like other activities, more volunteers are always needed. Please prayerfully consider how you may be able to help encourage students to know the love of Christ this fall. You can sign up on our website at [fargohope.org/volunteer](http://fargohope.org/volunteer).

All youth programming for the 2021–22 school year begins Rally Week, September 8 and 12. For more details or to sign up, visit [fargohope.org](http://fargohope.org).

We cannot wait to see students and their families back at church this fall!

God's peace,

*Pastor Paul*

### VBX 2021: JOLLY RANCH – GROW YOUR FAITH

The long-awaited return of VBX for 2021 was a huge success! For two consecutive weeks in early June, a total of over 800 kids and 380 volunteers got to experience how to be "Joyful in hope, patient in affliction, faithful in prayer, and share with God's people who are in need." Romans 12:12–13a.

What a huge blessing it is to watch children praising, worshiping, and having fun learning about how to grow their faith. Thank you to all of the wonderful people who gave their time and talents to make this incredible event possible!

# Immerse

God First In All Things

## THE IMMERSE EVENT PRAYER TEAM

“So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.” – Jesus (Luke 11:9–10)

As a part of our fall Revival sermon series theme, Hope will host a congregational faith renewal event. The Immerse Event will be hosted at South Campus on October 10. This will be an opportunity for people to either commit their life to Christ or renew their commitment to service and discipleship.

In order for this event to be a transformative and powerful faith experience, it needs to be surrounded in prayer! There are three ways to surround this event in prayer in the weeks leading up to the October 10 Immerse Event: in person, by email or on Zoom.

The Immerse Event Prayer Team will begin formally praying together weekly beginning August 31 and will conclude October 6. Below are a few ways you can actively participate in praying for the event.

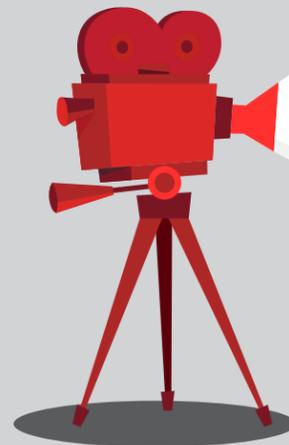

**In person prayer will be Tuesdays at 8:30am at North and South Campus.**

**Zoom:** Tuesdays at Noon

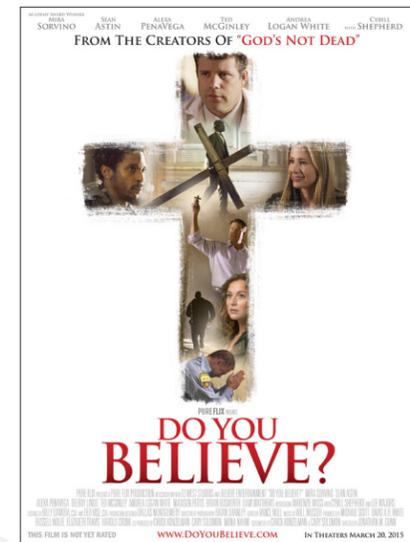

**Prayer list by email:** sent out weekly on Wednesdays

To sign up for your preferred way to pray for this event, please go to: [fargohope.org/immerse](http://fargohope.org/immerse)

You will learn skills including being a better listener, setting boundaries with others, being assertive in your communication, identifying signs of depression, and what to say, or not say. We are now looking for participants.
