Read Your Bible

- Revelation 4:8

Apply God's Word to Your Life

1. What is a word or phrase that sticks out to you in this passage? Why does it stick out?
2. What do you think is the significance of the four living creatures in Revelation 4?
3. What does the fact that these creatures never stop singing praises tell us about God?
4. In this life, what things never stop being active in some way, shape or form? What never has a time of rest? List some things off.

5. Why do you think the creatures said the word “holy” three times? (Why did they not say, “Love, Love, Love?” or “Mighty, Mighty, Mighty?”)

6. How does reading this passage make you feel? Describe your feeling.

7. What does this image of Heaven make you think about worship?

8. What is one day that you can sit at Jesus’ feet in worship this week?

Conclusion

God is holy. God is all-powerful. God is all-knowing. God is unchanging. God is everywhere. Let each of these statements sink in for a few minutes. Not only is God all of these things, but He has revealed Himself to us in all of these ways. There is no one or nothing in this world like our God for no one else is holy apart from God. Although some have power, it eventually comes to an end. Even the smartest, most intelligent people in this life are still learning. Our world is constantly changing at an incredible rate. And although we can virtually be almost anywhere in seconds by using our phones, God is physically everywhere at every moment by His own power, and it is this same power that rose Jesus from the grave. May this awareness of the power and presence of our God fill and strengthen you as you live your everyday life. May you find comfort knowing that His presence is with you wherever you go.

Pray

Almighty God, today we join with the angels in crying out, “Holy, Holy, Holy, is the Lord God Almighty who was and is and is to come.” There is none like You and we humbly acknowledge the areas in our lives where we fall short of Your holiness. Thank You for sending Jesus to die in my place and give me the holiness that I need for the entrance into eternal life. Open our eyes to see, our ears to hear, and our hearts to understand the light of Your glory and grace. We ask this in Jesus’ name. Amen.
