Pick one of the Bible skills activities from this unit to do again.

- Place in order the Books of the Bible flash card
- Play Memory Match
- Spell the names of the books with Play-Doh

### Small Group Activity

#### Activity 1: Story Sequencing

Work as a group to put the pictures in order to match the Bible story.

#### Activity 2: Blocks and Play-Doh

Use the blocks and Play-Doh to recreate elements from the Bible story.

Ideas:

- Use the blocks to build a wall of the city
- use Play-Doh to create Jesus and the ten sick men  
(Start with the ten men out of the city and then move them in. At first they were not allowed in the village because they were sick.)

Thank  
you for  
serving!

## S.O.A.P

### Scripture:

#### **The Beginners Bible,**

- **“Ten Lepers” page 405**
- **Point out under the title is says Luke**

### Observation:

- While doing the small group activities ask the group:
  1. Where was Jesus Traveling when He saw the ten men?
  2. Wat was wrong with the men?
  3. What did Jesus tell the men to do after they called out for help?
  4. What did one man do instead of going to the priest?

### Application:

- What would you have done if Jesus healed you?
- Do you believe this really happened?
- 1st grade extension: Does everyone who is sick get better when we pray for it? (No, God always hears our prayer and answers them but sometimes He does not give us exactly what we were asking For. God has another plan, and we must trust Him. We have seen that we can from the events we read in the Bible. He will always take care of us even when things are tough.)

### Prayer:

- Ask for prayer requests.
- Feel free to create your own prayer or use the prayer below.

God, Jesus is powerful because He is Your son. Thank You that Jesus has the power to make people well. We pray for our friends and family members who are sick. Please, help them. In Jesus' name we pray, amen.
