PARENTS:

THANK YOU SO MUCH FOR BRINGING YOUR CHILDREN TO HOPE. WE LOOK FORWARD TO PARTNERING WITH YOU THIS YEAR AS WE ALL WORK TO KNOW JESUS MORE AND MORE BY READING GOD'S WORD. WE PRAY THAT EVERY CHILD KNOWS JUST HOW MUCH THEY ARE LOVED BY GOD!

HERE ARE A FEW WAYS THAT CAN HELP YOU BE MORE SUCCESSFUL THIS YEAR:

1. **CHECK-IN** your children at the kiosk/small group table. (Please let your Small Group Leader know if you have questions about the process.)
2. **BRING BIBLES** as we will open God's Word every week. (Please make sure your child's name is in their Bible and that they bring them.)
3. **BATHROOM** Please have your child use the bathroom before you drop them off at their small group table.
4. **SCRIPTURE MEMORIZATION** Each unit your child will be memorizing a new verse. Please help them memorize at home. Your children will be bringing home a special flowerpot. Today they have decorated the first verse. We will be sending home a sheet with 8 other verses. Please keep in a special place so that you can color and decorate the new verses as we go through the year.
5. **WEEKLY HANDOUT** Each week we will be sending home sheets with your child so that you can continue the conversations about what they have learned at home. We know how powerful it is to read scripture and spend time talking to God and about God in our homes.
6. **DEEPLY ROOTED POSCAST** We are so excited about a new podcast that started this Summer. You can listen to our pastors here at Hope dive into God's Word each week. Adult to infants will be reading the same scripture each week!
7. **SMALL GROUP LEADERS** Children's Ministry relies heavily on fantastic volunteers. Please take time each week to talk to yours and thank your child's small group leader. As you can see there are probably still some groups that are looking for leaders or coleaders, please prayerfully consider helping out or pause to think about someone that may be blessed by spending time in Children's Ministry. If you have any questions about this, please feel free to stay after today and visit with me.
8. **THANK YOU ! We are so glad that you are here! We want your child to truly feel as if they belong here at Hope, if you have any questions or concerns please let me know.**
