

**THANK YOU SO MUCH FOR SERVING
IN OUR CHILDREN'S PROGRAM THIS YEAR!**

Questions?

1. What is SOAP and why do we do it each week? *This is a routine that we will use each week. It is predictable & helps children develop good Bible reading habits.*

**S—Scripture: Read Together*

**O—Observation: What is the passage saying? Answer some review questions.*

**A—Application: Games, questions, activities to help apply to our lives.*

**P—Prayer: Ask God to help us continue to learn and grow.*

1. Where is the supply table & when/how do we pick up and return supplies? *Each classroom lead teacher has their own unique system. We will be practicing & learning the first couple weeks. Not sure what to do? Please ask!*

2. How should I handle getting a sub or what if I need to be gone unexpectedly? *If you know in advance you will be gone—please try to get a parent from your small group to cover. If it is unexpected or you can't find someone please connect with your lead teacher.*

3. What should I do if there is a behavior or situation happening in my small group that I am not sure how to handle? *Please let your lead teacher know. We want to support you. Also, you can write us a note in your daily SOAP sheet. We read them each week.*

4. Are you hoping to have a coleader? *We will continue to search for co-leaders, but please see if one of the parents in your group would be interested in leading as well.*

To Know -

1. You will receive a text or email from your Lead Teacher each week to check in on you personally to see if you have any prayer requests or to see how your group is doing. We love to pray for you and support you. We are in this together and want to be of help with your small group.

2. We want to keep you informed of all the things happening in Youth Ministry: Please sign up for the monthly Youth Newsletter. Visit the website weekly for your small group lesson which is found on the Volunteer Page. Please consider listening to Deeply Rooted podcast.

3. Please pray for your kids and know that we are praying for you too.

4. During worship (in the classroom) we ask that small group leaders stay with their groups and help to model what worship can look like. Please engage in worship. It encourages the kids in your small group to worship.

**Hope
kids**

**HOPEKIDS
COVENANT 2023**

1. RESPECT ALL LEADERS:

Listen the first time

Follow directions

Stay with group

2. RESPECT OTHERS IN MY GROUP:

Say kind words

Listen when others are talking

Keep my hands and feet to myself

3. COME PREPARED:

Check-In: Wear name tag on shirt

Bring your Bible

Use bathroom before class time

Have a good attitude: Philippians 2:14

Be ready to participate and have fun
