

“I will praise you, Lord my God, with all my heart;
I will glorify your name forever.”

Psalm 86:12

VISION

Youth Worship aims to create a worshipful atmosphere of praise, gratitude and prayer in our youth services, as led by peers who have intentionally worked to develop their hearts and gifts to glorify God through music.

WE'RE MADE TO WORSHIP

All students in grades 6-12 are invited to be part of our Youth Worship teams despite their current musical abilities. Weekly rehearsals are a great way to learn and develop musical skills along with tuning the heart to praise.

REHEARSALS

Combined Youth Worship Rehearsals occur weekly on Sundays from 1:00-2:00pm at our South Campus and follow the Youth Ministry programming schedule. All campuses come together to practice weekly songs selected from the Youth Hymnody and join in community for some heart work through prayer and God's Word.

Sound Check Rehearsals occur weekly; approximately 15 minutes prior to youth programming at each campus in the corresponding worship spaces.

WEEKLY WORSHIP

Each week, Youth Worship Teams will lead their peers in worship during Middle School and High School Ministry programming. All Youth Worship members are invited to lead Middle School Ministry worship and all 9-12th grade members are invited to lead High School Ministry worship.

LEARN

Outside of weekly rehearsals, students may opt for additional learning opportunities through occasional lesson workshops led by one of our coaches or reach out for private lessons.

EXPECTATIONS

All Youth Worship members are leaders for their peers in worship. We ask that in that leadership, each member is actively pursuing a closer relationship with Christ through prayer and reading His Word. Musicians should also practice regularly, be familiar with the Youth Hymnody and come with a teachable spirit. Participating in weekly combined rehearsals are highly encouraged, while attendance of sound check rehearsals are expected if joining the worship team that week.
