APPLICATION:

Today we are going to be working together through a maze. We are going to need to take turns being the leader & there might be times when we have to work together. **The person with the flashlight will lead the group!**

Ask these questions after the maze activity:

Why was it hard to lead the group?

What was fun about leading the group?

What would happen if two people were leading?

****We have one true leader! Jesus! When we follow Jesus, we are like Paul & we shine bright! Remember that battery we need, the power source to do good work! That is the Holy Spirit! Let's make sure that we are plugged in! Reading God's word, praying, following Jesus & then we are all connected!!**
