Scripture:	Hands on Bible Pg 10: God creates the world Beginner Bible Pg 7: The Beginning
Observation Questions:	See attached page
Application/Activity:	God created us to love Him and to love others. One way we can love others is to find out about each other. Each kid will take turns rolling a dice and answering the question that corresponds with the dice. For example, if they rolled a 2 they would ask the second question. Keep playing until the kids get to know each other. If they already answered the question they can roll again. Please see attached sheet.
Prayer:	Explain that it's wonderful to get to pray for you each week. Prayer is a powerful thing. It's how we talk to God. God wants to hear what is on your heart and I want to hear it too. (Ask the kids for prayer requests)
Please collect lanyards and return the table signs to the materials table along with your marker bags. Please make sure the tables are clean and the chairs are pushed back in. Thank you for all you do for Hope Kids.
